Injeção

Um amplo pátio de injeção e modernas máquinas garantem a precisão e o alto nível das peças produzidas.

Equipamento de teste

A Modefer sai na frente mais uma vez.

Embreagens 100% testadas através de sistema computadorizado no padrão equivalente das montadoras, gerando laudo técnico de cada peça.

Missão Empresarial

Buscar a melhoria contínua dos processos produtivos por meio da manutenção e aprimoramento de um sistema de qualidade total, que atenda aos requisitos cabíveis, valorizando a capacitação e o comprometimento de toda equipe bem como a contínua adequação de métodos e equipamentos, buscando assim a total satisfação de nossos clientes.

Compromisso com o cliente

Com preocupação de dispor ao seu cliente/usuário um produto apto ao seu bom uso, todas as hélices Modefer passam por minuciosos testes como, balanceamento eletrônico de cada peça após sua fabricação. Quanto a matéria prima utilizada para fabricar seus produtos a Modefer certifica-se da análise do controle de qualidade de cada item e ainda disponibiliza equipe de engenharia técnica a dispor dos cliente.

Estoque

Asseguramos amplo estoque para reposição imediata de todo mix produzido.

Ferramentaria

Além de constantes investimentos em tecnologia investimos também em nossos funcionários, os quais preenchem todos requisitos e qualificações necessária para o melhor desenvolvimento.

Qualidade

A Modefer oferece a seus clientes a garantia total de fabricação sobre qualquer produto de sua linha, ou seja garante a seus cliente a troca de todas peças ou itens que apresentarem problemas ou defeitos de fabricação. De acordo com análise do IPT nº 57.447 (Instituto de Pesquisas Tecnológicas) a qual realizou diversos testes com equipamentos e padrões de última geração conferiu a Modefer adequação de seus produtos para exportação pelos resultados obtidos.
